Kokusai Nursery Co., Ltd.

Pre-order price list for Ching Hua Orchids Open House 2025

Kokusai Nursery will be taking pre-orders upon our visit to Ching Hua Orchids Open House in March 2025. Please refer to the "How to Order" section below before placing pre-orders. See you in Tainan!

"How To" and Notes on Making Pre-orders

- Browse this pre-order list, our catalogs and seasonal lists available on [our webpage](#). This list is only a very small part of our diverse collection. Feel free to send me your wish list.
- Send your order to orchids@kokusaiengei.com for requesting quotes. We will get back to you after checking availabilities and quarantine regulations. There are some genera that are not allowed to import from Japan. [Please do not use Facebook messenger/Instagram direct message](#).
- Prices on this list include shipping and document fee. Prices on catalogs DO NOT. Please ask for a quote.
- Payment method: CREDIT CARD ONLY for pre-orders. Pre-order process will be completed when payment is done. You need a valid e-mail address. Cash payment is also acceptable at the booth. We also need your email address to charge on your credit card. JPY to NTD conversion rate will be determined day-by-day.
- Due to strict quarantine requirements, plants will be imported to Taiwan bare-rooted and packed in box, which may result in damage to the plants, e.g., transportation damage.
- Pre-order must be picked up at the nursery. Sorry, we will not be able to arrange shipment or any other means. Be careful! We will be [at Ching Hua Orchids](#), not APOC/TOTP.
